

# LeadBeyond Honour the Past Build the Future

Dear EFCC Leaders,

Thank you again for your investment in our EFCC survey about leadership! This initiative began as the 30 for 30 campaign introduced at the 2014 National conference. We value where we have come from and we value what we are becoming. The 30 for 30 campaign has become a part of a broader leadership focus entitled LeadBeyond.

During the intervening months since the submission of your input, our LeadBeyond Project Coordinator, Karmen Stel, has surfaced common themes from everyone's input. That input has been discussed with our LeadBeyond Lead Team and our District Superintendents and we have agreed on priorities moving forward.

**Now, we welcome your input!**

In the enclosed packet, you will find...

- A **Survey Research Report** summarizing your responses to our survey.
- A **Development Plan** outlining how what you can expect from the LeadBeyond initiative moving forward reflects the priorities you communicated through our survey.
- **Brochures** summarizing components of our Apprenticeship Program.

We encourage you to share this information with your church family and leadership.

As you read through the Development Plan, please note...

- Our diversity of size and location. How will leadership be expressed in these different contexts?
- The 4 key priorities
- The key opportunities and challenges
- The key strategies going forward
- The Apprenticeship Program is only one component of the overall LeadBeyond initiative.

How does this resonate with you? If you would like the complete results of the survey rather than just the summary, please contact Karmen at [karmens@efcc.ca](mailto:karmens@efcc.ca)

Please talk to us...let us know if we are on the right track.

I Chronicles 12:32 speaks of the people of Issachar, *who understood the times and knew what the people of God should do...* We want to find these "people of Issachar" and we want to be these "people of Issachar."

Sincerely,

**Dan Nicholson**
