## PRAYING for the Leaders of Tomorrow

Check out Neil Bassingthwaight's Prayer Guide video

*The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields.* - Luke 10:2

Charlie Worley, who served as a Church Planting Catalyst with the EFCC, made it a habit to pray the Luke 10:2 prayer at 10:02 every morning. More important than the routine itself was his conviction that asking God to raise up workers for His harvest is essential.

As we move through the summer months, I invite you to join me in praying for the leaders of tomorrow. **Pray** for those recently elected to serve within the EFCC and for Project Lead, which helps fund leadership training and student bursaries. We are grateful for the eight bursaries awarded through the Albert Bergsma Legacy Fund this year and **pray** for continued support so more students can be equipped for ministry.

Most of all, **pray** for the children and youth in our churches. Positive experiences in the church today often shape future involvement and leadership. As you **pray**, ask God to guide and call the next generation of leaders.

May God bless you as you lift these needs before Him.

## Dan Carlaw CPD Superintendent

Summer is a season for more and different interactions with people who may not attend a weekend worship gathering. Please **pray** that, as our CPD family engages in vacation travel or has fresh interactions with friends and family outdoors, they would be the fragrance of Christ to all they come in contact with. **Pray** that the sharing of the gospel this summer would bear fruit that lasts for eternity.

## George Budd Interim PD Superintendent

**Pray** for Tim and Emily Stewart and their children as they make the move to Calgary in July. They have bought a house. Their house sold quickly. **Pray** for them as they transition to this new endeavour as District Superintendent.

## EFCC Leaders

### Neil Bassingthwaight ServeCanada Director

We had a great conference in Winnipeg in June, **praise** God! Continue to **pray** for our EFCC family as we grow deeper in our relationships together. **Pray** for Neil, as he continues to lead and care for our ServeCanada missionaries. **Pray** that financial support would come in for them, especially for our church planters.

### Shaun Wick President

Please **pray** that our pastors, ministry leaders, workers, and missionaries would have the opportunity to rest and be refreshed over the summer. **Pray** that volunteers in our EFCC churches would rest well as things slow down in most of our churches. **Pray** that our EFCC Home Office staff would be refreshed after a very busy spring and conference season. **Pray** for those who will be serving in the coming season in various positions on the BOD and our committees.

### Terry Kaufman Leadership Catalyst

Our summer season of Growing Leaders ministry focuses on preparation for the fall/winter. Please join us in **praying** for the updating of the curriculum, scheduling for Leadership Training, some new opportunities pending, the development of some new potential delivery models for our training, and for the expansion of our cohort ministry as Tyler Harper works to build more cohorts. Thanks for your partnership.

## Olivier Niyongabire Global Outreach Evangelism School (G.O.E.S)

**Praise** our Lord Jesus. I am thankful for what God has done in our ministry last month. We had our training, and 96 disciple makers attended and were trained in Gospel evangelism and winning people to Christ. This led them to reach out to new communities and we are hopeful that many souls will be saved and brought to the kingdom of God through these men and women of God. Secondly, I am happy to share that during our outreach in homes that have not been reached by the Gospel, 361 people gave their lives to Christ and among these were 98 Muslim people who denounced their faith and turned to Jesus. This was the pick of our ministry last month. However, we want to ask you to join us as we **pray** for both DRC and Uganda, where the outbreak of Ebola is growing strong, and this is where our ministry is based. **Pray** that the spread can stop and also that the sick be saved so that we can resume normal ministry.

## Stephen & Jane Wheeler Montréal

We continue as "Post Retirement Staff" with EFCA ReachGlobal. After 37 years in Canada and needing a warmer climate for health reasons, we'll be moving south. Beginning with the pandemic, much of our ministry has been online, and those works will continue. **Pray** for our move to Tennessee, where we'll be closer to family. **Pray** also for our continued ministry in Canada and all of North America.

## Joy Creative Access Country

Please **pray** for the fundraising I am doing for Egypt. It is for needed school supplies that I plan on handing out in August. Please **pray** for the poor families in Egypt who are suffering a lot.

## Jon and Laura Prins Japan

**Pray** for our summer English VBS July 18-24. We have a team coming to help in four churches and a camp. Our landlord has announced that he will not be renewing our lease when it expires in 3 years from now. **Pray** for wisdom. We need a Japanese pastor and a full-time English pastor, but we don't have the finances for a salary. We have a full-time Mandarin Chinese pastor and a Cantonese worker. **Pray** for a team that can work together well.

## Sammy Kabyemera Uganda

Please **pray** for the Democratic Republic of Congo, where many Kyaka refugees come from, as Ebola continues to claim lives and no cure is yet found. **Pray** for God's mercy, protection, and healing over the refugee camps. **Ask the Lord** to strengthen our field team for fruitful discipleship and spiritual growth. **Pray** also for provision and blessing for Sammy's mission trip in November this year.

## Helen Blackburn Bolivia

I **praise** the Lord for the many years He has given me on the foreign mission field. I first left Canada in 1975. I will miss them all out in Bolivia! My retirement from the EFCC became official at the end of June. Thank you for your many prayers and support.

## Scott & Karen Wind Vandenberg Mexico

Please **pray** for the residents and staff of El Buen Samaritano Seniors Home. **Ask God** to grant strength, patience, and compassion to caregivers, and comfort, dignity, and peace to each resident. **Pray** for good health, emotional encouragement, and meaningful connection in daily life. May this home be filled with Christ's presence, protection, and practical provision for every need.
