

**Albert J. Bergsma
Legacy Fund
for
Growing Church
Planters
and
Ministry Training**

Al Bergsma believed strongly in the ongoing gospel mission of the EFCC, as an expression of the larger body of Jesus Christ. He was an active member of EFCC churches for 35 years, and also served on district boards. He served as the Planned Giving Coordinator for the EFCC.

After he passed away suddenly in 2015, the EFCC, in close coordination with his family, set up a fund in his name.

Growing Leaders

Ministry leaders are in short supply!

This fund is designed to help grow leaders in two ways:

1. Supporting church planters in their challenging roles.
2. Providing funds for education for future ministry leaders who attend EFCC partner universities & colleges.
